outreach

This summer, Faith and Action reached out to the community through Vacation Bible School, Summer Fest, local field trips, and school supply distribution for 800 underserved students. These outreach events are the first steps in the building relationships process.

relationships 

Jesus began his disciple-making process by spending quality time with his friends. Faith and Action follows Jesus' model by spending time with families living in high-risk neighborhoods.

Faith Action

Faith and Action builds on the relationship process by providing community service opportunities and also employment for ex-offenders as a part of our one-on-one mentoring wood splitting ministry.

Our family had a blast!
Do we have to leave yet?
This was the best day ever!
